

Pre-K News April 2-6, 2018

Current Events

This week we will continue our unit on spring. We will read books and complete activities that focus on seeds and plants. We will be observing some seeds and watching them grow as well as learning about what plants need to survive.

Talk to your children about what they see happening as the season's change. Do you have any trees or bushes in your yard that are blooming? Look around your yard, do you see any birds or other animals that are getting ready for the warmer weather?

Wish List:

- tissues
- play dough
- napkins

This week in small group we will:

- dissect seeds and label their parts
- plant green beans
- plant grass

IMPORTANT REMINDER!!!

--Please make sure that you are sending your child to school ready to learn. They need their book bags **every day**. They also need to bring their green Gale-Bailey folders back to school every week as well as their library books.

--With warmer weather coming please make sure your child is coming to school dressed for outside. Tennis shoes are the best everyone and flip-flops are not allowed in school. If you have any questions about school dress code please refer to the student handbook/calendar.

Helper Calendar

	Monday	Tuesday	Wednesday	Thursday	Friday
A.M.	NO SCHOOL	NO SCHOOL	Maggie	Maria	Nia Simone
