

Mr. Hawkins' Class

September Newsletter

Notes from the teacher:

I hope you had a wonderful summer and are ready to begin a new and exciting school year. Your child will have me each day for Literacy, Reading, and social studies. Our 5th graders switch for math so they may have me or another 5th grade teacher. Math classes will begin switching on Monday, 9/18. I am looking forward to working with you and your child this school year. I realize that teaching your child is truly a privilege and I will work my hardest to have every student working to achieve their best. Together I believe we can provide your child with all the opportunities they need in order for them to reach their goals and be successful this school year. If you have any questions or concerns throughout the year, please do not hesitate to contact me.
