

# June 2018

## Second Grade Newsletter

### Gale-Bailey Elementary

### What We Are Learning

**Reading** – We will continue discussing how characters respond to events in the story and identifying story elements.

**Writing** – Students will be writing narratives in which they recount a sequence of events. We will continue to write paragraphs and more complex sentences.

**Math** – Students will be working on odd and even numbers, skip counting, and addition and subtraction to 1000 using various strategies.

The weather is changing and so is our clothing! Students should be wearing shoes with backs. Shorts should be worn under skirts. Shorts should be an approved length. No spaghetti straps! Please remember we have a lot of events coming up so appropriate dress is important.

### Dates to Remember

June 4-8 Book Fair

Family Night is June 7<sup>th</sup> – 4 p.m. – 7 p.m.

June 14 – 4<sup>th</sup> Quarter Awards Assembly
