A Time for Reflection

As we near the end of kindergarten, we like to reflect upon all of the progress each student has made. Please take some time to talk with your child about the things that he/she has learned in kindergarten and then set a few goals for the upcoming school year.

We would like to formally invite all family members to join us on Wednesday, June 6th at 10:00 a.m. for our End of the Year Program. This is a time for the kindergarteners to showcase things they have learned. They have been working very hard and we hope everyone can come!

All I Really Need To Know I Learned In Kindergarten

By: Robert Fulghum

Most of what I really need to know about how to live and what to do and how to be I learned in kindergarten. Wisdom was not at the top of the graduate school mountain, but there in the sand pile at Sunday school.

These are the things I learned:

Share everything.

Play fair.

Don't hit people.

Put things back where you found them.

Clean up your own mess.

Don't take things that aren't yours.

Say you're sorry when you hurt somebody.

Wash your hands before you eat.

Flush.

Warm cookies and cold milk are good for you.

Live a balanced life -

Learn some and think some

And draw and paint and sing and dance

And play and work everyday some.

Take a nap every afternoon.

When you go out into the world,

Watch out for traffic,

Hold hands and stick together.

Be aware of wonder.

*Thank you for a wonderful school year!
Have a safe and happy summer!*
