

Dear Parents/Guardians,

In accordance with Maryland's Ready to Read ACT (2019), the Acadience Reading Assessment was administered to all Kindergarten and First grade students. Based on the assessment, your child's composite score was below the grade level benchmark. Therefore, your child will receive supplemental instruction for foundational reading skills. In coordination with your child's classroom teacher and the school's reading resource teacher, a plan for supplemental instruction has been developed.

Another benchmark will be administered in February to monitor progress. Updates will be provided periodically.

If you have any questions please contact your child's teacher.

Sincerely,
