The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	In-Network: \$0; Out-of-Network: \$200 individual/\$400 family	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family member(s) on the <u>plan</u> , each family member may need to meet their own individual <u>deductible</u> , OR all family members may combine to meet the overall family <u>deductible</u> before the <u>plan</u> begins to pay, depending upon plan coverage. Please refer to your contract for further details.
Are there services covered before you meet your <u>deductible</u> ?	Yes, all In-Network preventive care provided without a deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	There are no other specific deductibles.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	Medical: In-Network: \$800 individual/\$1,600 family; Out-of- Network: \$800 individual/\$1,600 family.	The <u>out-of-pocket limit</u> is the most you could pay in a <u>plan</u> year for covered services. If you have other family member(s) on the <u>plan</u> , each family member may need to meet their own <u>out-of-pocket</u> <u>limits</u> , OR all family members may combine to meet the overall family <u>out-of-pocket limit</u> , depending upon <u>plan</u> coverage. Please refer to your contract for further details.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, health care this plan doesn't cover, copayments for certain services, and penalties for failure to obtain pre- authorization for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.carefirst.com</u> or call 855-258-6518 for a list of Network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the <u>specialist</u> you choose without a <u>referral</u> .
