Robotics Club

Application due by Friday, September 29, 2017 (return completed application to your math teacher)

**Meeting Days:** Mondays (bi-weekly) starting October 16, 2017

**Meeting Time:** 3:30 pm to 4:30 pm

Meeting days and times are subject to change as we get closer to competition.

**Competition:** Saturday, April 6, 2018
Robotics Club
FIRST LEGO League Team Application
Due by Friday, September 29, 2017

Student Name ____________________________________________

Grade _______ Homeroom Teacher ________________________

FIRST LEGO League teams will consist of no more than 10 students per team. We will have one team for 6th grade and another for 7th/8th grade students. This application will be reviewed by coaches, teachers, and administration to ensure all students are eligible for participating on the team. Students will be notified of their status by October 6, 2017.

To be filled out by the participating student (in their own words). You may use a separate sheet of paper to answer the following questions, if needed.

1. Why do you want to be a part of the Robotics Club? Please include if you have been a part of a robotics team in the past.

__________________________________________________________________________
3. This year's FIRST Lego League challenge focuses on the relationship between animals and people. You are given the task to create a product that will improve the relationship between animals and people. It can be geared towards a zoo animal, domestic animal (dogs, cats, etc.), or farm animals. Your product will be presented to animal experts for their usage to promote a healthy relationship between your chosen animal. Please describe your idea for a product that will help with this effort.

I, _______________________________ (student printed name), completed the application in my own words and ideas to be considered as a team member of the Robotics Club. If selected, I agree to follow the rules and policies of Davis Middle School and Charles County Public Schools Code of Conduct. I also understand that I can be removed from the team if I become ineligible to participate due to my academic standing and/or behavior.

Student Signature ___________________________________________ Date ______________________

Robotics Club Expectations
Students are expected to participate with a cooperative and positive attitude. The Davis Middle School behavior rules and policies will be enforced. If a student displays any behaviors that are disruptive to the instruction and/or participation of the club will result in the dismissal of the student from the team. We will use a three warning system to monitor behavior concerns, unless the behavior is deemed serious enough for immediate dismissal. The coaches and/or Davis administrator reserves the right to ask the student to be dismissed from the team, not to return to the team. All students must remain eligible throughout the year.
