Chaperones – On Campus or Field Trips

- Must be the parent or guardian of student participating in the student activity. Anyone other than a parent or guardian must receive express permission from the principal.
- Must be available to students at all times during field trips.
- Must be prepared to respond to all needs and emergencies of students.
- Must follow the same rules as staff, including those concerning use of drugs, alcohol, tobacco and cell phones.
- Must wear appropriate dress in accordance with system expectations for staff.

Volunteers in Our Schools

Volunteers assist regular employees and supplement services and learning opportunities offered to students. Charles County Public Schools encourages the use of volunteers and sponsors appropriate activities to recognize volunteers who contribute significant time and service to a school or the school system. Volunteers in schools wishing to establish a regular schedule with a set number of hours daily or weekly, which involves direct interaction with students under the supervision of staff must speak to the principal prior to assuming a volunteer assignment.

Your signature below indicates you have read the above and understand the school system expectations for student activity chaperones and volunteers. Please return the signed form to the principal. Upon request, a copy will be provided to you.
