

Family Engagement Statement

Arthur Middleton Elementary faculty and staff, in an effort to provide quality education for our children, has developed and established a full partnership with parents, guardians, local businesses and organizations. Our staff recognizes the importance of family engagement in the education of our children. Through this joint effort, Arthur Middleton Elementary families are truly the beneficiaries.

Our school will provide family engagement opportunities by hosting:

Math Night · Reading & Writing Workshops · STEM Night

Parents and families may participate/volunteer in activities with their children. Opportunities range from:

Assisting in the Classroom and Preparing Materials

Reading and Practicing Math Facts with Students

Chaperoning Field Trips

Joining the PTO or School Improvement Team

Volunteering at the Book Fair

Participating in Career Day and Read Across America

CCPS Mission

The mission of Charles County Public Schools is to provide an opportunity for all school-aged children to receive an academically challenging, quality education that builds character, equips for leadership and prepares for life, in an environment that is safe and conducive to learning.

Title I Targeted Assistance School (TAS)

A Title I TAS Program is a federal program that provides our school with additional funding for educational resources, technology, highly qualified staff, and materials.

The 7 components of a Title I TAS Program include:

1. Helping targeted students meet the State's challenging academic standards.
2. Strengthening the academic program of the school.
3. Working with and supporting the school's regular education program.
4. Providing professional development.
5. Increasing the involvement of the parents of targeted students.
6. Coordinating with federal, state, and local programs, if appropriate and applicable.
7. Helping to provide an accelerated, high quality curriculum; minimizing the removal of targeted students from the classroom during regular school hours; and review the progress of targeted students and revising the TAS program, if necessary.

At Arthur Middleton, we believe that:

- Given the opportunity, children will develop to their fullest potential in order to become productive citizens.
- Education is the responsibility of the parent/guardian, student, school and community and that all are accountable for results.
- In our school, home and community, none of us is as good as all of us.
- Students will assume personal responsibility for their own behavior and learning.
- The school environment should be safe, clean, accepting, and fun.
- Students will develop to their maximum potential thus becoming viable and productive global citizens.
