- We will schedule parent conferences at least once a year and upon parental immediate requests.
- We will provide quarterly reports to families on their child's progress.
- We will provide written information in the school handbook and on the school's website for contacting school personnel and individual teachers.
- We will value diversity in our classrooms.
- We will demonstrate professional behavior and be positive role models.
- We will encourage parents to participate in school events, join the PTO, volunteer, and be parent of school committees.
- We will use Thursday folders and quarterly interim reports to communicate about student progress. Teachers will also use Synergy as a way to communicate with parents.
