What We Are Learning

In October our unit theme is **Connecting with school and friends.** We will continue to get to know each other and how virtual school works. Our goal for this unit is to create a safe and inclusive classroom community. We will work on learning our peers names, and engaging in conversations with one another. Throughout this unit we will explore our senses and the environment around us. Our focus letters for this unit are; Aa, and Mm. We will also engage in fun fall activities to celebrate the season.
