SCHOOL TRANSFER REQUESTS

Instructions

The Charles County Public Schools system will make every attempt to honor a request for a school transfer. Please fill out the form completely and attach any further information you believe we should know. Send the completed form to the Department of Student Services, ATTN: Student Services Specialist, Charles County Public Schools, P.O. Box 2770, La Plata, MD 20646, for processing. This form may be faxed to 301-392-7511.

The school will review the approval every year and the following factors, among others, will be considered when determining if the transfer approval will remain in effect:

- the original reason for the transfer is still in effect
- the student's attendance and behavior records are acceptable
- the student's academic effort
- the school does not become overcrowded

The receiving school and the school system reserve the right to rescind the transfer permission at any time for justifiable causes.

If you have any questions or concerns, please call the student services department at 301-934-7326 or 301-870-3814. Thank you.
